## New Quarter Equals New Opportunities

Our Fall Quarter Bible Classes begin today! If you are like me, then you are excited to start a new study with new students in class. For primary school students, many are excited to be moving up to the next grade level and continuing their spiritual maturity. For our teachers, it is a new opportunity to influence their students and help shape their minds and hearts. For this quarter, we have several new teachers who will be teaching or serving as a helper in the Bible Class. This is an exciting time for all!

Attending Bible class should be a priority for each and every individual at Chase Park. Bible class is a great way for students to engage in Biblical discussions, explore new stories, mature in the scriptures, and gather wisdom from the teaching of God's word. In addition, Bible class can be fun! With the right mindset, heart, attitude, and teacher you can have a great quarter of learning and spiritual growth. I encourage everyone to pick up a Fall Quarter Bible Class Handout located at the Hospitality Desk, select a class you're interested in, and attend! But not only attend, be engaged in the Bible class! So plan to stay for Bible Class today and enjoy exploring God's great book. Special thanks to Stefanie Benson, teachers, organizers, helpers and especially students. Enjoy your Bible class today!
