What A Great Day!

Last Sunday was our first “Friend’s Day” of 2023, and what a day it was! Our Sunday morning worship attendance was 425, the highest we have seen since COVID, and that number included a large number of visitors. Many of you invited friends, neighbors, and family members to be with us for the day’s activities. As a bonus, the entire Buckhorn High School softball team was here along with their coaches and some of the girls’ parents. It was wonderful to see the auditorium so full, but that is really not the point. The point is that there were a great many people who were exposed to the Lord’s church for the first time on Sunday. They witnessed heartfelt and scriptural worship, heard a message from God’s word, and were introduced to a welcoming and loving Christian family here at Chase Park. I do not know what reaction each and every visitor had to being here, but I do know this—they could not have had a better introduction to the Lord’s church. Thank you for your faithfulness and friendliness.

In 2 Corinthians 5, we read these words: “*Now then, we are ambassadors for Christ, as though God were pleading through us: we implore you on Christ’s behalf, be reconciled to God.*” (vs. 20) In this world, there are many people who will never have the opportunity to see or to know Christ unless they see Him through His people (it is likely that some of those people were here last Sunday). For that reason, it is imperative that we, as Christians, are always ready and looking for opportunities to be lights in the world and to show Christ to those around us. Whether it is at a Friend’s Day or in the grocery store checkout line, we must represent Christ to those we come in contact with. May God help us to be good and effective ambassadors for Christ in this community and in the world.
