## Exposure Youth Camp Trip

This past week we had 38 people from Chase Park attend Exposure Youth Camp (EYC) at the Von Braun Center. Exposure Youth Camp is a four day camp taking place December 27-30, consisting of teenagers, college students and chaperones. Throughout the week, our youth group was able to attend morning devotionals, singings, Bible classes, participate on teams, evening worship, and more. This year our theme was *Storyteller*, as we focused on our individual stories we are living and how we can better write our story through Jesus Christ. During the evening worship services, we focused on the Master Storyteller, Jesus, and His interactions with individuals.

With over 2600+ in attendance, it was truly amazing to worship our God together. The singing was outstanding; along with the attention our students gave to their class teachers and speakers. Personally, I am so appreciative of our teens in their behavior, attention, and open hearts. I think we can all say that this week at EYC has truly blessed us all. As we return home, may we remember that each day is another page added to our life's story. May we continue to live our lives with Christ, centered upon our hearts, and found on each page of our story. Remember, your story is being read by your family, friends, teammates, co-workers and neighbors. Let our story be a shining light to everyone we come into contact with.

So thankful for such a great week!
