## Believing is Not Seeing.... (Matthew 8:5-13)

In Matthew 8:5-13, we read of a centurion's great faith in the Lord. The centurion had asked Jesus to heal his paralyzed servant. Throughout the Bible, Jesus was constantly asked to perform a miracle of healing for those who were sick, lame, blind, etc. There were mass crowds who flocked to see or just catch a glimpse of Jesus performing a miracle.

But it was on this day that Jesus was the one who saw something powerful. Jesus agreed to go and heal the centurion's servant, but the centurion's response to Jesus was one of great faith. *"Lord I am not worthy to have you come under my roof, but only say the word, and my servant will be healed."* (Matthew 8:8) The centurion's main focus was not "seeing" the miracle of Jesus being done but "believing" in the power of Jesus. In John 20:29, Jesus says, *"Have you believed because you have seen me? Blessed are those who have not seen and yet have believed."*

As Christians today, we have not physically seen Jesus, but we believe and know of his wonderful and mighty works being done each and every day.
