## Looking Forward to Friend's Day

In just one week it will be our first of two annual Friend's Days at Chase Park. I hope you are looking forward to it and planning to invite someone with you to worship and the day's activities. I am especially looking forward to this day because we will be welcoming the Buckhorn High School softball teams, along with some of their parents to Chase Park. If you remember last year we had the opportunity to welcome these student athletes to our congregation. I was impressed to see many of you welcoming them and thanking them for coming to our service. I believe next Sunday will yield the same kindness to them.

It's always great to have visitors come to worship with us. Many of you bring your family, friends, classmates, coworkers, teammates and neighbors throughout the year to Chase Park. Many of these visitors come multiple times because of your hospitality, kindness and the light burning within you. Matthew 5:14, 16 states, *"You are the light of the world. A city on a hill cannot be hidden. In the same way, let you light shine before others, so that they may see you good works and give glory to your Father who is in Heaven."*

Next Sunday we hope to have a great crowd of visitors with us. Within that crowd are people who may be here for the first time, people who are hurting, people experiencing difficulties and/or people searching for hope. We have a great opportunity to greet as many people as we can and express our thankfulness for their presence. Above all, these visitors have the opportunity to experience the love of Christ through you. Let us make every effort to be welcoming and friendly to our visitors. You have the hope of Christ and you will have the opportunity to share it next week.
