## Personal Evangelism Seminar

Dear brothers and sisters, we have a wonderful opportunity coming up in less than two weeks. Brother Rob Whitacre will be here with his family to help us become more effective in our attempts to reach the lost. Maria and I went to a similar seminar they held in Florida in November, and it was fantastic!

If you have family, friends, neighbors, coworkers, or anyone else in mind who are outside of Christ, and, if you want to improve the probability of them saying yes to a bible study either with you or with me, please clear your calendar for these sessions. I promise you will not regret the time invested, and it might make an eternal difference to someone you know or meet.

Remember, I love you and want to go to heaven with you.

Pat
