2020 Theme

"2020 VISION"

## Looking Ahead

After all of the unexpected twists that 2020 has provided, even the thought of planning for 2021 seems almost laughable. We have certainly been reminded, in a not so subtle way, of the truthfulness of the Bible's words found in James 4:13-16:

*Come now, you who say, "Today or tomorrow we will go to such and such a city, spend a year there, buy and sell, and make a profit"; whereas you do not know what will happen tomorrow. For what is your life? It is even a vapor that appears for a little time and then vanishes away. Instead you ought to say, "If the Lord wills, we shall live and do this or that." But now you boast in your arrogance. All such boasting is evil.*

Nevertheless, it is important that, as a new year approaches, we have a purposeful vision for the Lord's work and that we are prepared to take advantage of the opportunities that God blesses us with. We do not know what 2021 holds, but we, by faith, know that God will bless us and will help us to be successful as we strive to serve Him faithfully and acceptably.

With all of this in mind, each of our services today will be tied to next year's work in one way or another. We do this, understanding that there are many unknowns, but also understanding the importance of vision and purpose. Without question, our first and greatest priority for next year's work is to re-establish as many of our good works as possible, restore the momentum and enthusiasm that has been lost due to COVID, and re-engage every member in the life and work of Chase Park. I hope that today's services will serve to encourage and motivate us all toward those goals, and I pray that 2021 will be a year in which Christ is magnified, God is glorified and the Lord's church at Chase Park, and wherever she may be, is strengthened and enlarged. May God bless us as we strive to serve Him faithfully!
